

# Chase Holbrook

## Quarterback

New Mexico State

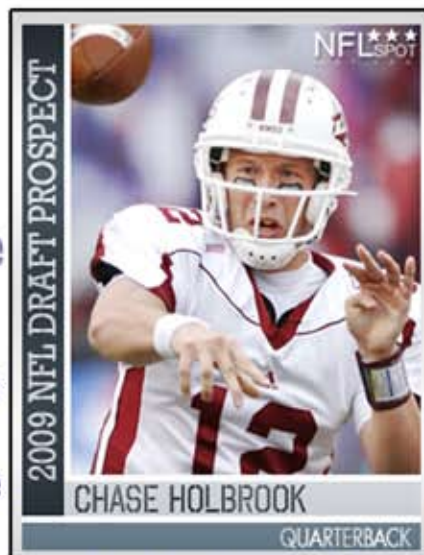

6'5" / 240 lbs

2009 NFL Scouting Combine

NFL Analysis: Prototypical size for a pocket passer, with a thick build throughout. Looks off the safety to throw to other side of the field. Shows nice arc and touch on red zone fade routes and throws down the sideline.

Delivery is quick enough to be worked with. Uses his height and has just enough mobility to step up in the pocket to deliver the underneath pass. When he sets his feet to throw, he can deliver on time with zip.

During his collegiate career Holbrook played a total of 44 games, completing 1,093 of 1,575 attempts for a total of 11,921 yards with 85 touchdowns and 41 interceptions. In his first year at NMSU he threw for 4,619 yards and had 4,541 yards of total offense, setting an NCAA single-season record. That same season he scored 34TDs with only 9 interceptions, breaking many of the school's single-season records in the process.
